Authentic Witness and Evangelization (A.W.E.): Christ Connecting Leaders and Youth

A conference offered by the Institute for Catholic Formation,
to be held at Brescia University College in London
– Aug. 18th - 22nd, 2014 –

In collaboration with week 6 of CCLC, the A.W.E. conference is for adults engaged in faith based relationships with youth – Parents, youth ministry leaders, campus ministry leaders, teachers, and so on. In order to support the domestic church of the home, and to respond to our call to holiness and the mission of evangelization, the A.W.E. Conference offers a combination of theological understanding, personal integration through prayer and reflection, skill development, and application in the challenge of personal witness and engaging in faith conversations with young people. **A.W.E. offers the unique experience of bringing adults and young people together (at CCLC) to share faith conversations and experiences.** The goal is to leave the A.W.E. experience spiritually renewed, and equipped with practical tools for effective faith witness in encounters with young people.
